plant-based snacks for a better you

Introducing Elan, a unique line of organic snacks created by Tootsi Impex, a company specializing in high-quality products since 1986. With a commitment to organic ingredients sourced from sustainable farming, Elan delivers functional and nutritious snacks.

Our specialties include superfood-infused nuts and mixes designed for active lifestyles. Every Elan product is minimally processed, gluten-free, and naturally vegan, packed with plant-powered benefits.

Elan is a promise of vitality and momentum. Our snacks fuel your day and enhance your meals, turning your routine into a step toward wellness. Join the Elan movement and enjoy snacks as they should be: nutritious, natural, and **deliciously good for you®**.

signature snacks

Our signature snacks feature nuts infused with superfoods, such as matcha and chia seeds. Nutrient-rich and energizing, these bites are made for wholesome snacking.

matcha

Crafted in Japan from premium green tea leaves, our culinary-grade matcha is an energizing powder, rich in vitamins A and C. Perfect for lattes or baked goods, it blends easily into a variety of recipes.

our commitments

We highly value our environmental and social responsibilities.

Our facility is equipped with **solar panels**, highlighting our commitment to sustainability and renewable energy. This dedication has earned us the **Zero Carbon Building certification**, a recognition of our focus on energy efficiency.

Moreover, we actively support local and global initiatives, including partnerships with organizations like **UNICEF, Moisson Montréal, The Canopy Project**, and more.

Making a positive impact on our community is a value we hold close to our hearts.
